Thank you, my friend, for the beautiful memories we shared. Your laughter, kindness, and presence brought so much joy into my life. I am grateful for every conversation, every smile, and every memory. I'm going to miss you but I thank God for the time we were blessed to have you in our lives. Though our hearts ache in your absence, we trust in His promise of eternal life and find peace knowing you are now resting in His presence. Your faith, kindness, and love will continue to live on in our hearts until we meet again, my sweet friend.

Wendy you will forever be missed by so many. Thank you for making my mornings so much better as we had our virtual coffee discussions. I'll always remember discussing our favorite ice coffee and you going the extra mile buying the fancy coffee machines and sending me pictures of the coffee you made:) We shared so many coffee recipes. I also saved your chicken salad recipe. Hands down one of the best co-workers I've ever had. Even though I never met you in person you will always mean so much to me. You were so kind, extremely smart! But most importantly you were also so silly! When I listen to Coldplay (your fav) you'll always be in my thoughts. I pray your family finds strength during this time. I know your daughters will be deeply cared for by their daddy and your loving parents. May you rest in gods paradise Wendy. With so much love from Lupita Sanchez

Recuerdo a Wendy con su carita de niña dulce, es la memoria que viene a mi mente, y la ultima que tengo de ella, muy tierna y muy buena niña como sus hermanas. Descansa en paz Wendy; Dios protegerá a los tuyos. Amen.
