Oh man, where do I start? I wasn't prepared for this.. it was to sudden.. didn't really get a chance to say goodbye. However, I do have some great memories with Melda, that's what I called her. She was a great friend, and literally the best neighbor anyone could ask for. We loved to sit outside and watch our kids play, we'd have breakfast together and share meals at least twice a week. She was kind, funny and my kids loved her!! She made the best arroz con pollo! We had so much fun laughing together about stupid things and she was always a text or a phone call away anytime I needed her. Was hoping she was going to move back near me, I would have loved that.. Melda, you will be missed! Rest easy! ❤️
