My daughter & I met Ms. Gloria at a metaphysical store and instantly became friends. Her spirituality, kindness and loving demeanor was what people loved about her. We visited her periodically and enjoyed life stories, good food & of course politics.. You will never be forgotten and will always be in our hearts. Rest in eternal and painless peace mi amiga. Always, Yoli & Vanessa. ❤️🌹

My Glorious Gloria, I am going to miss you so very much. I was truly blessed the day the Lord brought us together on my very first day at Kelsey-Seybold. You came over to introduce yourself, and from that moment on, I had my sweet angel in my life. You had the most beautiful heart and soul, and I will be forever grateful for the time we shared—especially that special day just a couple of weeks ago celebrating your 79th birthday. I will always remember how you spoke with such joy about being at home, watching the birds from your window, and how proud you were of your family. Even while facing health challenges, you never lost your happy spirit. You lived with such grace, gratitude, and love. I am forever thankful to have had you as my best friend. You will always hold a special place in my heart, and I will miss you more than words can say.

I meant Gloria through her sister, Mary Ann. She was the sweetest lady, and my son even said who was that lady that was at Mary Ann's she was always so nice to me? I was with her Brian, his wife and daughter, Mary Ann and her family for Thanksgiving one year and it was wonderful. She has had a rough couple years to be in the fighter she was she held in there. RIP. My condolences to Brian and his wife his daughter Mary Ann, Barbara, Steven, and the entire family. Sorry I'm unable to attend the viewing.
